

My Offering

New Ways to Give

We are launching online giving through Planning Center Online. This is a fairly simple and secure way for you to give your tithe online. You can give a one-time gift, or set it up so that it is a recurring gift. (We do plan to keep this service.) You can give in one of three ways:

- On the web, go to <https://templehill.churchcenter.com/giving> and fill out the required form. You will have to enter your information. If you are using an ACH transaction, they will ask you to verify your bank account by placing two small deposits in your account. When those are posted, you simply enter those amounts to verify your account and you can proceed with your giving. We will also post this link on our website so you can give from there.
- On your smartphone, you can download the “Church Center App” (Google Play or the iPhone App Store.) Simply search for our church “Temple Hill Baptist Church”, and then you can give directly from your phone. You can also use this app to sign in your children on Sundays via our electronic child check-in. It’s real easy to use.
- Or you can simply text to give. Text the dollar amount you want to give to “84321”. From there, it will direct you to a link where you can set up your account and payment information there. Once you enter that the first time, you don’t have to enter it again.

If you have any questions about the online giving, you can contact Pastor Andy.
